

CYBER SECURITY WEEK 2010

3rd Annual National Conference on Cyber Security

Theme: “New Generation. New threats. Be Secure.”

Date: Wednesday, 1st September 2010

Venue: Ivy Room, Cinnamon Grand, Colombo

Time: 8:30AM to 5:10PM

AGENDA

Time		Topic	Speaker	Content summary
Start	End			
8:00AM	8:30AM	Registration		
8:30AM	8:45AM	Opening Ceremony		
8:45AM	9:30AM	“Changing Times; Changing Minds”	Freddy Tan <i>Chief Security Advisor SEA Microsoft Singapore</i>	Keynote Presentation
9:30AM	10:00AM	“Protecting Critical Information Infrastructure from Cyber Security threats”	Wipul Jayawickrama <i>Managing Director InfoshieldConsulting Australia</i>	<ul style="list-style-type: none"> ▶ What is Critical Information Infrastructure (CII) ▶ Cyber security threats to CII and Implications ▶ Road map for protecting CII
10:00AM	10:10AM	“Don’t be in denial, it could happen to you!”	SLCERT	Quick-Fire Video Demo
Morning Tea Break				
10:30AM	11:00AM	“Importance of addressing security in the Software Development Lifecycle”	Clayton Jones <i>ISC²</i>	
11:00AM	11:30AM	“Digital Forensics: Network-based evidence collection & Analysis”	C.S. Lee <i>Chief Technology Officer InterSecureTech Sdn Bhd Malaysia</i>	<ul style="list-style-type: none"> ▶ Preservation of computer crime scenes ▶ Good practices for first responders ▶ Practical thresholds for admissibility of evidence
11:30PM	11:35PM	“Illusion: What’s real and what’s not?”	SLCERT	Quick-Fire Live Demo
11:35AM	12:05PM	“Free & Open Source Security: What are my options?”	Anuradha Ratnaweera <i>Independent Expert</i>	<ul style="list-style-type: none"> ▶ Security functions available with open source operating systems ▶ Practical limitations ▶ Downloadable security tools ▶ Performance impact
12:05PM	12:30PM	DEBATE “Sri Lankan Financial	Panel of Experts & Invitees	 Nominations for debate topics accepted until 27 th August 2010

		institutions should conform to a global ISMS Standard”		Please send nominations to slcert@slcert.gov.lk
Lunch Break				
1:15PM	1:45PM	“Practical security: making hard choices in the real world”	Sujit Christy <i>Solutions Architect</i> <i>TVSNet Technologies Ltd</i>	<ul style="list-style-type: none"> ▶ Considerations when deciding security parameters ▶ Performance vs. security ▶ Ease of administration
1:45PM	2:00PM	“Cooperation as an effective tool to ensure security”	Jeff Paine <i>Microsoft</i>	Quick-Fire Talk
2:00PM	2:45PM	“The growing threats in the global marketplace”	Prateek Rastogi <i>Senior Security Consultant</i> <i>TrustWave</i> <i>India</i>	<ul style="list-style-type: none"> ▶ Presentation of incident types and statistics on occurrences ▶ Predictions for top incidents in 2011
2:45PM	3:00PM	“Unauthorized Disclosure? Beware!”	SLCERT	Quick-Fire Video Demo
Evening Tea Break				
3:15PM	3:45PM	<p>DEBATE</p> <p>"With the impending proliferation of web-based services supported by Next Generation Broadband & Converged Networks, the responsibility to provide network security for Application and Internet Service Providers and their end users lies with Telecom operators"</p>	Panel of Experts & Invitees	<p> Nominations for debate topics accepted until 27th August 2010</p> <p>Please send nominations to slcert@slcert.gov.lk</p>
3:45PM	4:00PM	“The Wireless Security Dilemma”	TBC <i>TechCERT</i>	Quick-Fire Live Demo
4:00PM	4:45PM	“ISMS: The bigger picture of information security”	S.P. Duggirala <i>Det Norske Veritas AS</i> <i>India</i>	<ul style="list-style-type: none"> ▶ Reconciling security with business objectives ▶ Making a financial case for security investments ▶ Prioritizing security efforts
4:45PM	5:00PM	“Training and Certification: Developing the future cyber warrior”	Clayton Jones <i>ISC²</i>	Quick-Fire Talk
5:00PM	5:10PM	Closing remarks		
End of Conference				

Post Conference Sessions (Parallel Tracks)

5:30PM	6:30PM	Discussion on ISMS implementation and challenges	S.P. Duggirala <i>Det Norske Veritas AS</i> <i>India</i>	▶ Open to all interested participants ▶ IVY ROOM 1
5:30PM	6:30PM	Discussion on Security Training and Certification & incorporating security in to the SDLC	Clayton Jones <i>ISC²</i> <i>Hong Kong</i>	▶ Open to all interested participants ▶ IVY ROOM 2
5:30PM	6:30PM	Discussion on Digital Forensics	C.S. Lee <i>InterSecureTech Sdn Bhd</i> <i>Malaysia</i>	▶ Open to all interested participants ▶ IVY ROOM 3
